Profile

I'm a full-stack developer passionate about creating responsive, user-focused solutions. I refined my skills at Dev Academy Aotearoa with React and TypeScript, and I also work with Java, JavaScript, and Git. I'm eager to tackle complex challenges and push the boundaries of technology.

Work experience

📅 08/2024 – 12/2024 📍 AUCKLAND, NEW ZEALAND

Full Stack Developer Dev Academy

- Developed a full-stack website using React, JavaScript, TypeScript, and SQLite.
- Designed responsive UI components for cross-device compatibility.
- Contributed to both front-end and back-end development in team projects.
- Led Git version control and improved team dynamics.
- Implemented secure authentication with Auth0.
- Enhanced collaboration by promoting active listening, feedback, and conflict management.

📅 04/2020 – 08/2023 📍 HAMILTON, NEW ZEALAND

Telecommunications engineer Callus Communications Ltd

- Plan and scope projects through site surveys, requirement analysis, and customer engagement to ensure technical alignment.
- Develop detailed documentation and project reports while programming Optical Network Terminals (ONTs) for robust connectivity solutions.

📅 08/2016 – 02/2020

📍 MORRINSVILLE, NEW ZEALAND

Assistant Site Leader Z Energy

I emphasized exceptional customer service by fostering teamwork and clear communication with clients and staff, ensuring customer needs were consistently met, and new hires were well-trained.
